Printing and other fixed costs: In the case of one-piece series printing, we charge a one-time programming fee of 2€+VAT for individual samples, which we store for an unlimited time.																	
In the case of embroidered samples (only over 200g/m <sup>2</sup> material weight is possible, e.g.: Pique T-shirt, Sweater, Softshell jacket) In the case of small series, we charge a one-time embroidery program cost of 20€+VAT, the embroidery program is kept for 10 years. In the case of larger items, the fixed costs can be changed in the case of both printing and embroidery, which are included in the price offer by the authorities.
